

"My time at Essex has been great; I have so many new friends. The social life at Essex is really good and there are so many options for spending your free time: sports clubs, parties, cultural events, clubs, societies or just hanging out in the SU.

I like the fact that the campus is like a little town - almost everything you need is right here.

Meeting new people from all over the world will always be an important memory of my time here. Essex is a very international university so you cannot feel lonely here.
If you're considering Essex then I say "just go for it!"
